Michael – Can you let me know if you're still planning on holding the meeting on April 22.

I want to share information with Heriberto before I leave .

Thanks for letting me know.

Michael – Check out the attached postcard/news ad too.

Are you still planning on holding the meeting on April 22?

Heriberto Leon will be the CIC for the site and he will be back in the office next week.

Thanks for confirming and I can let the contractor know what were planning and they can formally reserve space at the Expo Center.
